REPORT [SWIFT FINGERS]

Event: Inter-department

Date: 28th May, 2024

Time: 2:30 pm

Venue: 5th floor lab

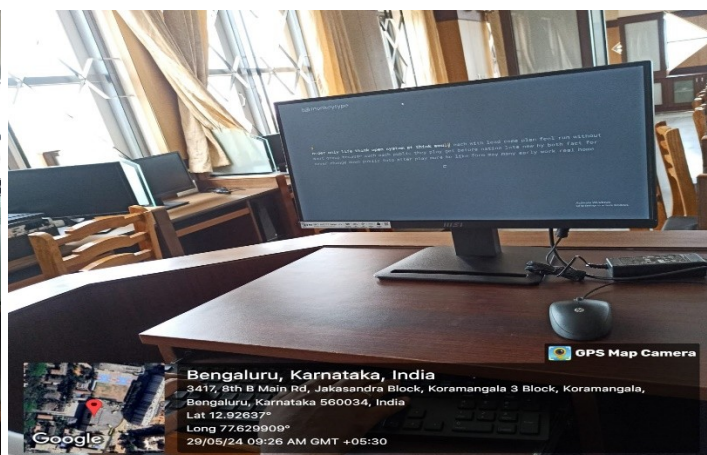

Participants: 11

Event Co-Ordinator: Ms. Bhargavi

Objective: The primary objective of the "Swift Fingers" typing competition is to provide participants with a platform to showcase their typing proficiency, foster a spirit of healthy competition, and celebrate the art of fast and accurate typing. Our goal is to create an engaging environment that encourages participants to push their limits, refine their typing skills, and build camaraderie among fellow enthusiasts.

Outcome: The Swift Fingers competition witnessed a surge of enthusiasm and perseverance among participants, who tackled each typing challenge with unwavering focus. The event garnered an impressive turnout, reflecting widespread interest and engagement. Beyond the competition, participants honed their typing skills, demonstrating remarkable speed and accuracy. The competition fostered a vibrant atmosphere of friendly rivalry and mutual encouragement, leaving participants with a sense of accomplishment and newfound typing prowess.

Summary: The event was a resounding success, sparking excitement and skill enhancement. Robust participation and enthusiastic responses cultivated a supportive atmosphere, stimulating increased interest in typing proficiency and facilitating rapid skill growth.
